## **Salacoa Valley Farms Schedules Registered Brangus Female Production Sale**

Please plan to join David and Susan Vaughan, along with General Manager Ben Spitzer and the Salacoa Valley Farms' crew on Saturday June 12 for their Annual Production Sale. As usual, this female sale will be held at the farm which is close to Fairmount, GA. Always a popular sale with southeastern beef producers looking for productive Brangus females, this will be the largest of their sales held over the past few years. Profit producing females with genetic lead time will enable their new owners to move to the front of the pack in producing Brangus cattle in demand by the beef industry.

A wide selection of Fall Calving bred cows and bred heifers; Spring Calving pairs, bred heifers and three-in-ones; and a select group of weaned fall born and spring born heifer calves will be offered. Along with a few consignments from Spitzer Ranch and their other cooperators, approximately eighty (80) lots will sell at what is absolutely sure to be one of the highlights of the 2010 sale season.
